FAYE EDWARDS

FOUNDER OF F.I.T APP & MIND FIT RETREATS

GLOBAL FITNESS PRESENTER

COACH AND CONSULTANT

ABOUT FAYE

FOUNDER OF F.I.T AND MIND FIT RETREATS
AWARD WINNING INTERNATIONAL FITNESS PRESENTER
CELEBRITY TRAINER | MENTOR | FITNESS BUSINESS COACH

Faye is a powerhouse of energy, passion, and purpose. An award winning, internationally recognised Fitness Presenter and Celebrity Trainer, she is redefining what it means to truly connect with intentional movement.

With over 13 years in the fitness industry, Faye has made her mark as Group Exercise Manager at the elite Third Space club and as a former competitive bodybuilder. Her journey has shaped a unique philosophy rooted in one core belief to: **focus on the feeling.**

Known for her signature **F.I.T** concepts and nicknamed, **MotiFAYEtion,** she delivers high energy experiences that go far beyond the physical. Empowering people to break through mental barriers, move with intention, and discover the joy in movement.

As the creator of the **F.I.T App,** Business Empowerment Coach, and Fitness Instructor Educator, Faye seamlessly fuses movement with mindset, helping individuals tap into their power and unlock their full potential.

Faye is also **on a powerful mission to create greater diversity and inclusivity** within the fitness industry, championing spaces where everyone feels seen, represented, and empowered to thrive, regardless of background or ability.

Her vision is simple yet transformative: to make fitness fun, accessible, and life changing, so you don't just move your body, you elevate your entire life.

F.I.T FAYE'S INTENTIONAL TRAINING

The Mission

To empower people through intentional movement and mindset, while creating a more diverse, inclusive fitness industry where everyone feels seen, supported, and inspired to thrive.

F.I.T Ecosystem

A fully integrated global fitness and wellness ecosystem that educates, empowers, and connects people through intentional movement and transformative experiences.
Delivering premium experiences and driving growth through education, consultancy, and community.
