THE RETREAT PLANNER

From “one day I’d love to” to your own retreat, with Faye Edwards

F.I.T ACADEMY · BUSINESS COACHING FOR FITNESS PROFESSIONALS

YOU'VE DREAMT OF IT. WHERE DO YOU START?

Most instructors and coaches who dream of a retreat stall at the same four questions.

Where and when?

Choosing a destination and dates that suit your community

What do I charge?

Pricing your retreat with confidence

Will anyone book?

The fear of empty places and selling to your own people

What am I missing?

All the details that come with taking a group abroad

The Retreat Planner answers every one of them, with someone who has done it.
